Executive Summary

Prestigious Solutions (Pty) Ltd is a 100% black female-owned Level 1 B-BBEE company based in Midrand, South Africa. Our medical division is focused on delivering reliable, scalable, and compliant medical supply solutions to public and private clients across South Africa.

Our goal is to simplify procurement through responsive service, reliable sourcing, and a commitment to quality. We are fully registered with the Central Supplier Database (CSD), SARS compliant, and source all medical products from SAHPRA-licensed and internationally certified manufacturers.

With a focus on flexibility, compliance, and client satisfaction, Prestigious Solutions is well-positioned to serve hospitals, clinics, schools, offices, and government departments across the country. We aim to be more than a supplier — we aim to be a trusted partner in sustainable service delivery.

Medical Division Overview

At *Prestigious Solutions (Pty) Ltd*, proudly operates a dedicated Medical Division that focuses on the sourcing and supply of high-quality medical equipment, consumables, and health-related technologies.

With a focus on quality, compliance, and accessibility, we serve healthcare professionals and institutions with products that support frontline care, diagnosis, and patient safety. We leverage a network of reputable manufacturers and partners to ensure every delivery meets local and international standards.

Our offering includes:

- Basic diagnostic tools and consumables
- Personal protective equipment (PPE)
- Emergency care and mobility aids
- Medical-grade furniture and clinic accessories
- Health screening, sterilization and infection control products

We serve both public and private sector clients, helping healthcare teams improve patient outcomes through trusted medical solutions.

Product Categories

Prestigious Solutions supplies a wide range of essential medical products across the following core categories:

- **General Medical Consumables**
- **Diagnostics & Monitoring Equipment**
- **Personal Protective Equipment (PPE)**
- **Sterilization & Infection Control**
- **Emergency & Trauma Supplies**
- **Medical Furniture & Accessories**
- **Mobility & Homecare Aids**

A full catalogue with item level detail is available upon request or via www.prestigioussolutions.co.za

Client Segments

Our Medical Division is committed to supplying a broad spectrum of clients in the healthcare and wellness ecosystem, including:

 Public Health Facilities	Government clinics, hospitals, and community health centers with approved, budget-aligned medical supply needs.
 Private Medical Practices	GPs, specialists, dentists, and diagnostic centers seeking quality consumables and reliable diagnostic tools.
 Healthcare Training Institutions	Medical schools, nursing colleges, and training centers needing demonstrative and learning tools.
 Wellness Centres & Nursing Agencies	Occupational health, wellness providers, mobile clinics, and home-based care services.
 NGOs & Community Health Projects	Organizations focused on public health outreach, TB/HIV screening, maternal care, and pandemic response programs.

Why Choose Us

At Prestigious Solutions, we understand the critical role of quality and compliance in medical procurement. Here's why healthcare providers choose us:

CSD & BBBEE Compliant

- Registered on CSD (**MAAA1523336**)
- **Level 1 B-BBEE** Contributor
- Tax Compliant
- CIPC Registered (Reg No: **2024/498619/07**)

Quality-Certified Products

We supply products sourced from reputable local and international manufacturers that meet WHO and SABS standards.

Responsive & Reliable

We are known for our quick turnaround time, transparent quotes, and accessible service — supporting urgent healthcare demands with efficiency.

Flexible Supply Models

We support bulk orders, recurring supply agreements, and once-off procurement — always tailored to the client's budget and timelines.

Strong Partnerships & Sourcing Network

We partner with trusted suppliers and distributors to ensure availability, continuity, and fair pricing across all categories.

Core Capabilities

- Procurement and delivery of medical equipment and general medical consumables
- Sourcing of PPE, infection control items, and emergency response kits
- Supply of diagnostic and patient monitoring tools
- Bulk and project-based medical supply distribution
- Support for mobile clinics, wellness drives, and outreach initiatives
- Flexible and scalable sourcing from reputable manufacturers and wholesalers

Strategic Partnerships

We work with reliable local and international manufacturers and distributors, ensuring competitive pricing, timely supply, and regulatory-compliant products. Our sourcing network supports rapid response procurement and supply continuity.

Director's Background

Nthabiseng Wendy Msimango, the Founder and Director of Prestigious Solutions (Pty) Ltd, is a dynamic professional with a solid background in Information Systems, Business Management, and IT support. She holds a **Bachelor of Commerce in Information Systems and Business Management** from Rhodes University and brings over **five years of experience** in the ICT and corporate support environment.

Before founding Prestigious Solutions, Nthabiseng served in technical and operational roles at leading organizations, where she gained hands-on experience in systems support, IT coordination, and procurement processes. Her role involved managing complex IT infrastructure, troubleshooting and support, and working closely with stakeholders to deliver secure and efficient technology solutions.

Driven by her passion for service excellence and operational efficiency, she identified the gap in the market for a supplier that offers both reliability and responsiveness — particularly in critical areas like medical consumables, ICT equipment, and office essentials.

Her leadership is grounded in **problem-solving, integrity, and client focus**. As a black female entrepreneur, Nthabiseng is committed to contributing meaningfully to South Africa's transformation agenda, while building a business that champions professionalism, quality, and access.

Key Skills & Competencies:

- Strategic Procurement & Supplier Management
- ICT Infrastructure & Technical Support
- Stakeholder Engagement & Client Service
- Regulatory Compliance & Risk Awareness
- Business Development & Project Coordination
- Data Analytics, Power Platform & Microsoft Azure

Contact & Enquiries
